PRESS RELEASE

Cotton, Keays and Morris rock out at Kedron-Wavell Services Club

Three of Australia's most successful recording artists are back together again and will be performing at Kedron_Wavell Services Club Inc on Friday 16th October 2009.

Whoever thought of putting these 3 rock legends of the 60's & 70's together is a genius. The chemistry of this trio's live performances has to be seen to be believed and is drawing capacity houses throughout Australia.

Darryl Cotton, formerly of "Zoot" fame and Jim Keays, legendary lead singer of "Masters Apprentices" are joined by Russel Morris singing his famous hits such as "The Real Thing", "Sweet Sweet Love", "Hush" and "Rachael". This is a unique Australian act that should not be missed!

The performance driven by the powerhouse sound of Keays' voice and Morris's guitar are squeaky clean. In an evening littered with rich memories and moments, it's difficult to pick out the finest contributions. Cotton leads a cool version of Eleanor Rigby, KEays blitzes 5.10 Man and Elevator Driver, and the unmistakable Morris delivers Sweet Sweet Love and Real Thing as if it were the first time he had sung them.

Peter Valentine on piano and vocals is a vital link and deserves more recognition on stage. While other 70's rock stars have settled into careers in lifestyle television, Cotton, Keays and Morris are doing what they do best - wowing the audience.

Tickets are only \$25, an absolute steal to see these three Australian rock identities. To purchase tickets phone Kedron-Wavell Services Club on 07 3359 9122 now.
