## PRESS RELEASE

### ***Kedron-Wavell Services Club gets their hands dirty as part of Clean up Your Business Day***

Kedron-Wavell Services Club Inc is teaming up with the Kedron-Wavell RSL Sub Branch and Councillor for McDowall, Norm Wyndham on Monday 1<sup>st</sup> March to participate in Clean Up Your Business Day, as part of the Clean Up Australia Day campaign.

The Club has registered its designated area as the Kedron-Wavell Services Club leased land which encompasses the Chermside Historical Precinct and Chermside Hockey Fields both situated on Kittyhawk Drive. From 8.30am on Tuesday 2<sup>nd</sup> March, employees of Kedron-Wavell Services Club, the RSL sub branch and local community members will be volunteering their time to rid this area of waste.

Australians dispose of an estimated 4 billion plastic bags, or 20,700 tonnes of plastic, that can be recycled. Even plastic bags that are reused as bin bags end up in municipal waste streams and will never be recycled, filling our already limited landfill space.

The Club strives to dispose of its waste in the most environmentally friendly manner with waste converters and recycling systems in place throughout the organisation. "I hope the activity will raise awareness of environmental issues among us all, and inspire businesses to participate in this year's cleanup" said Chris Sartori, Secretary/Manager.

To participate, simply meet us at the front of Kedron-Wavell Services Club at 8.30am on Tuesday 2nd March.
