Howard Jones

Howard Jones, Direct from the UK is back at Kedron-Wavell Thursday 12th February in his only Queensland show!

It was in 1983 that Howard Jones released his first single 'New Song' in the UK. The expectation was that it might sell a few thousand copies and introduce his fresh new music to an unsuspecting world. The reality was quite different.

The single steadily climbed the UK chart to peak at No. 3. Then came the second single 'What Is Love?' which reached No. 2 in the UK and the third single ...the enigmatic 'Hide and Seek' which showed the spiritual side of Howard Jones' writing.

This was followed by the first album 'Human's Lib' which came straight in at No. 1 in the UK in April 1984, eventually going platinum and which took the synthesiser and Howard to a new plateau. This success spread across the globe with 'Human's Lib' going gold in USA, Japan, Germany, Italy and Australia.

Howard Jones released hit after hit and album after album with 'Dream Into Action' and 'Revolution of the Heart'. Then in 2007 there were no less than three Howard Jones CD released, a piano instrumental series entitled 'Piano Solos Volume Two', 'Revolution Remixed and Surrounded' which featured dance mixes of tracks from Revolution of the Heart and the long awaited live acoustic album entitled 'Live in Birkenhead'.

A brand new studio album is scheduled for release in 2009.

With a large and loyal fan base and album sales now exceeding eight million this consummate musician and writer has maintained an admirable independence, writing, recording, performing and touring in the way only he knows how. He has proved that he is one of the most talented writers and performers out there. His independent attitude and his ability and willingness to take risks ensure that he continues to operate on the cutting edge of today's music.

Don't miss out on this amazing live performance on Thursday night 12th February. Get your ticket now, only \$45 per person. Phone the Club on 3359 9122 or visit Kedron-Wavell Services Club at 375 Hamilton Rd, Chermide.
