## PRESS RELEASE

### ***Kedron-Wavell raises over \$10,000 for seriously ill children***

As part of its ongoing support of the local community, Kedron-Wavell Services Club held a race day at Eagle Farm Racecourse on Saturday 5th September to raise much-needed funds for the Starlight Children's Foundation.

The race day was a huge success attracting crowds in excess of three and a half thousand people despite threats of rain and rose over \$10,000 in funds for the Starlight Children's Foundation.

The day was a unique fundraising event for Kedron-Wavell. "We run a number of fundraising activities for a wide range of community groups and charities but this is the first race day we've ever hosted. It's an exciting event for us and we're proud to support Starlight and help bring some fun and laughter to the lives of seriously ill children," says Chris Sartori, Secretary/Manager for Kedron-Wavell Services Club.

Since 1988, the Starlight Children's Foundation has been providing innovative programs designed to lift the spirits of seriously ill children, young people and their families at a time when they need it most. Starlight brings love, laughter and support to children no matter what their illness or where they live.

Funds were raised through raffles sold on the day, generous donations from the race course and funds raised through the corporate function.

Alison Dart, Starlight's QLD State Manager said, "It's through funds raised at events like Kedron-Wavell's race day which enables Starlight to make a difference to the lives of seriously ill children."
